

College to Career Jumpstart

Launch with Confidence

A personalized coaching program to help students clarify career direction, stand out to employers, and confidently interview for internships and first jobs.

"Ace Interviews. Land Your Dream Job."

Your Coaching Journey

-  **1 DISC Assessment**
Understand natural communication style, strengths and work preferences.
-  **2 Career Planning**
Clarify goals, explore options and create practical next steps.
-  **3 Resume Development**
Build or refine a resume that captures attention and reflects strengths.
-  **4 Interview Preparation**
Practice realistic interviews with feedback from experienced hiring leaders.
-  **5 Communication Coaching**
Develop confidence, presence and the skills that distinguish strong candidates.

A Personalized Coaching Experience

Approximately four hours of one-on-one coaching, curated to fit each student.

Meet Your Coaches

Dorothy Brill
Founder & Principal

Dorothy is a natural coach and mentor with 25+ years of HR leadership experience. Her superpower is identifying potential, developing talent, and inspiring individuals to achieve more than they thought possible.

Nick Couch
Program Partner

Nick is at his best helping students recognize strengths, tell their story, and stand out in interviews. As a hedge fund recruiter, he hired interns through senior executives, giving him firsthand insight into what employers value most.
